

WHY THE PA BANKERS LEADERSHIP INSTITUTE?

Be Inspired! Be a part of this motivational, educational and life-changing journey to leadership!

Students learn through a high level of participation with peers and by a set of instructors who have the ability to define and display exemplary banking leadership, not only in Pennsylvania, but also on a global level.

MEET THE INSTRUCTORS

LINDA EAGLE, Ph.D.

President & Founder, Global Bankers Institute
Dr. Linda Eagle is president and co-founder of Global Bankers Institute, an organization known for bringing innovation to banks around the world and helping them to maximize the performance of their people. Linda's understanding of the business requirements of the banking industry and her expertise in human and organizational communication have enabled her to address the most important elements in solving today's business problems: people, performance and results.

DENNIS BUDINICH

Founder & President, FTC Together
Throughout his entire career, Dennis has dedicated himself to helping others be their best by sharing the most effective success principles and how to apply them. In his high-energy learning programs, Dennis shares the information he acquired in the fields of positive psychology and self-science, Emotional Intelligence as well as his personal experiences as a successful financial professional and entrepreneur.

WHAT LEADERSHIP INSTITUTE ATTENDEES LEARN

Analysis & Strategy

Ask the right questions, understand the data, and create strategic solutions for your bank.

Theory & Application

Start with Principles of Leadership, and move on to Application of Solutions at your bank.

Impact & Influence

Become a center of influence in your department and throughout your bank.

Action & Results

Seek to understand – and then create a results-oriented Action Plan for your bank.

EXPERIENTIAL LEARNING

ACTIVITIES INCLUDE:

- Researching and presenting case studies on world-class, best-in-service companies, such as LinkedIn and Zappos, and identifying principles to apply at your bank;
- Reading groundbreaking books and bringing them to your bank;
- Conducting business interviews with potential customers in your market;
- Learning from former Leadership Institute participants;
- Class discussion with peers;
- Networking activities;
- Exercises that provide practice in implementing leadership skills;
- Attendance at various PA Bankers advocacy events;
- Creating a Leadership Action Plan;
- Guest speakers and expert presenters in the leadership field;
- AND More!

LEARNING AND IMPLEMENTING LEADERSHIP

The PA Bankers Leadership Institute is more than just a one-day seminar or conference. Over a period of nine months, students will meet for six two-day sessions, with additional assignments and conference calls in between. This extended learning model allows them to carry lessons back to the bank, implement solutions and return to discuss results with the class. The impact is a more effective, customized approach to bank leadership.

TAKEAWAYS TAILORED FOR YOU

PA Bankers Leadership Institute participants do not only take home a content-rich resource binder, books and handouts, but they also return to their banks with a fresh approach to implementing change and a fresh perspective on leadership, culture, employee engagement, performance and communication. Participants will be asked to complete a pre-session reading and will be eligible to receive up to 13.5 CPE credits for each two-day session.
