Vendor selections and recommendations are made in accordance with PA Bankers Services Corporation's stated mission. It is believed that the promoted products and services merit strong consideration by PA Bankers member banks. PA Bankers Services Corporation due diligence and selection criteria should not be construed as a guarantee, as the ultimate appropriateness may vary from bank to bank. In addition, member banks are encouraged to conduct their own due diligence reviews of recommended vendors. Remuneration received by PA Bankers Services Corporation is utilized in-part to support the PA Bankers Association through contracted agreements, corporate sponsorships and overhead coverage. This financial support expands resources and strengthens the services and programs of the PA Bankers Association.
